

**INVITATION TO SPONSOR
BSIDES VILNIUS 2025**

INTRODUCTION

Thank you for your consideration to support BSides Vilnius 2025. This means a lot to both the cybersecurity community and to our team. We aim for an inclusive and accessible event, organized by the help of community.

The following slides outline the idea of the upcoming BSides Vilnius 2025 conference, summarize the key highlights of the previous event and present the support options. We are also open for discussion about any other way of support that is not listed in the proposal.

Sincerely,

BSides Vilnius Organizing Team

BY COMMUNITY, FOR COMMUNITY

By Community

Organized by the cybersecurity community members – non-governmental organization BSides Vilnius, VšĮ and event volunteers.

Accessible and Inclusive

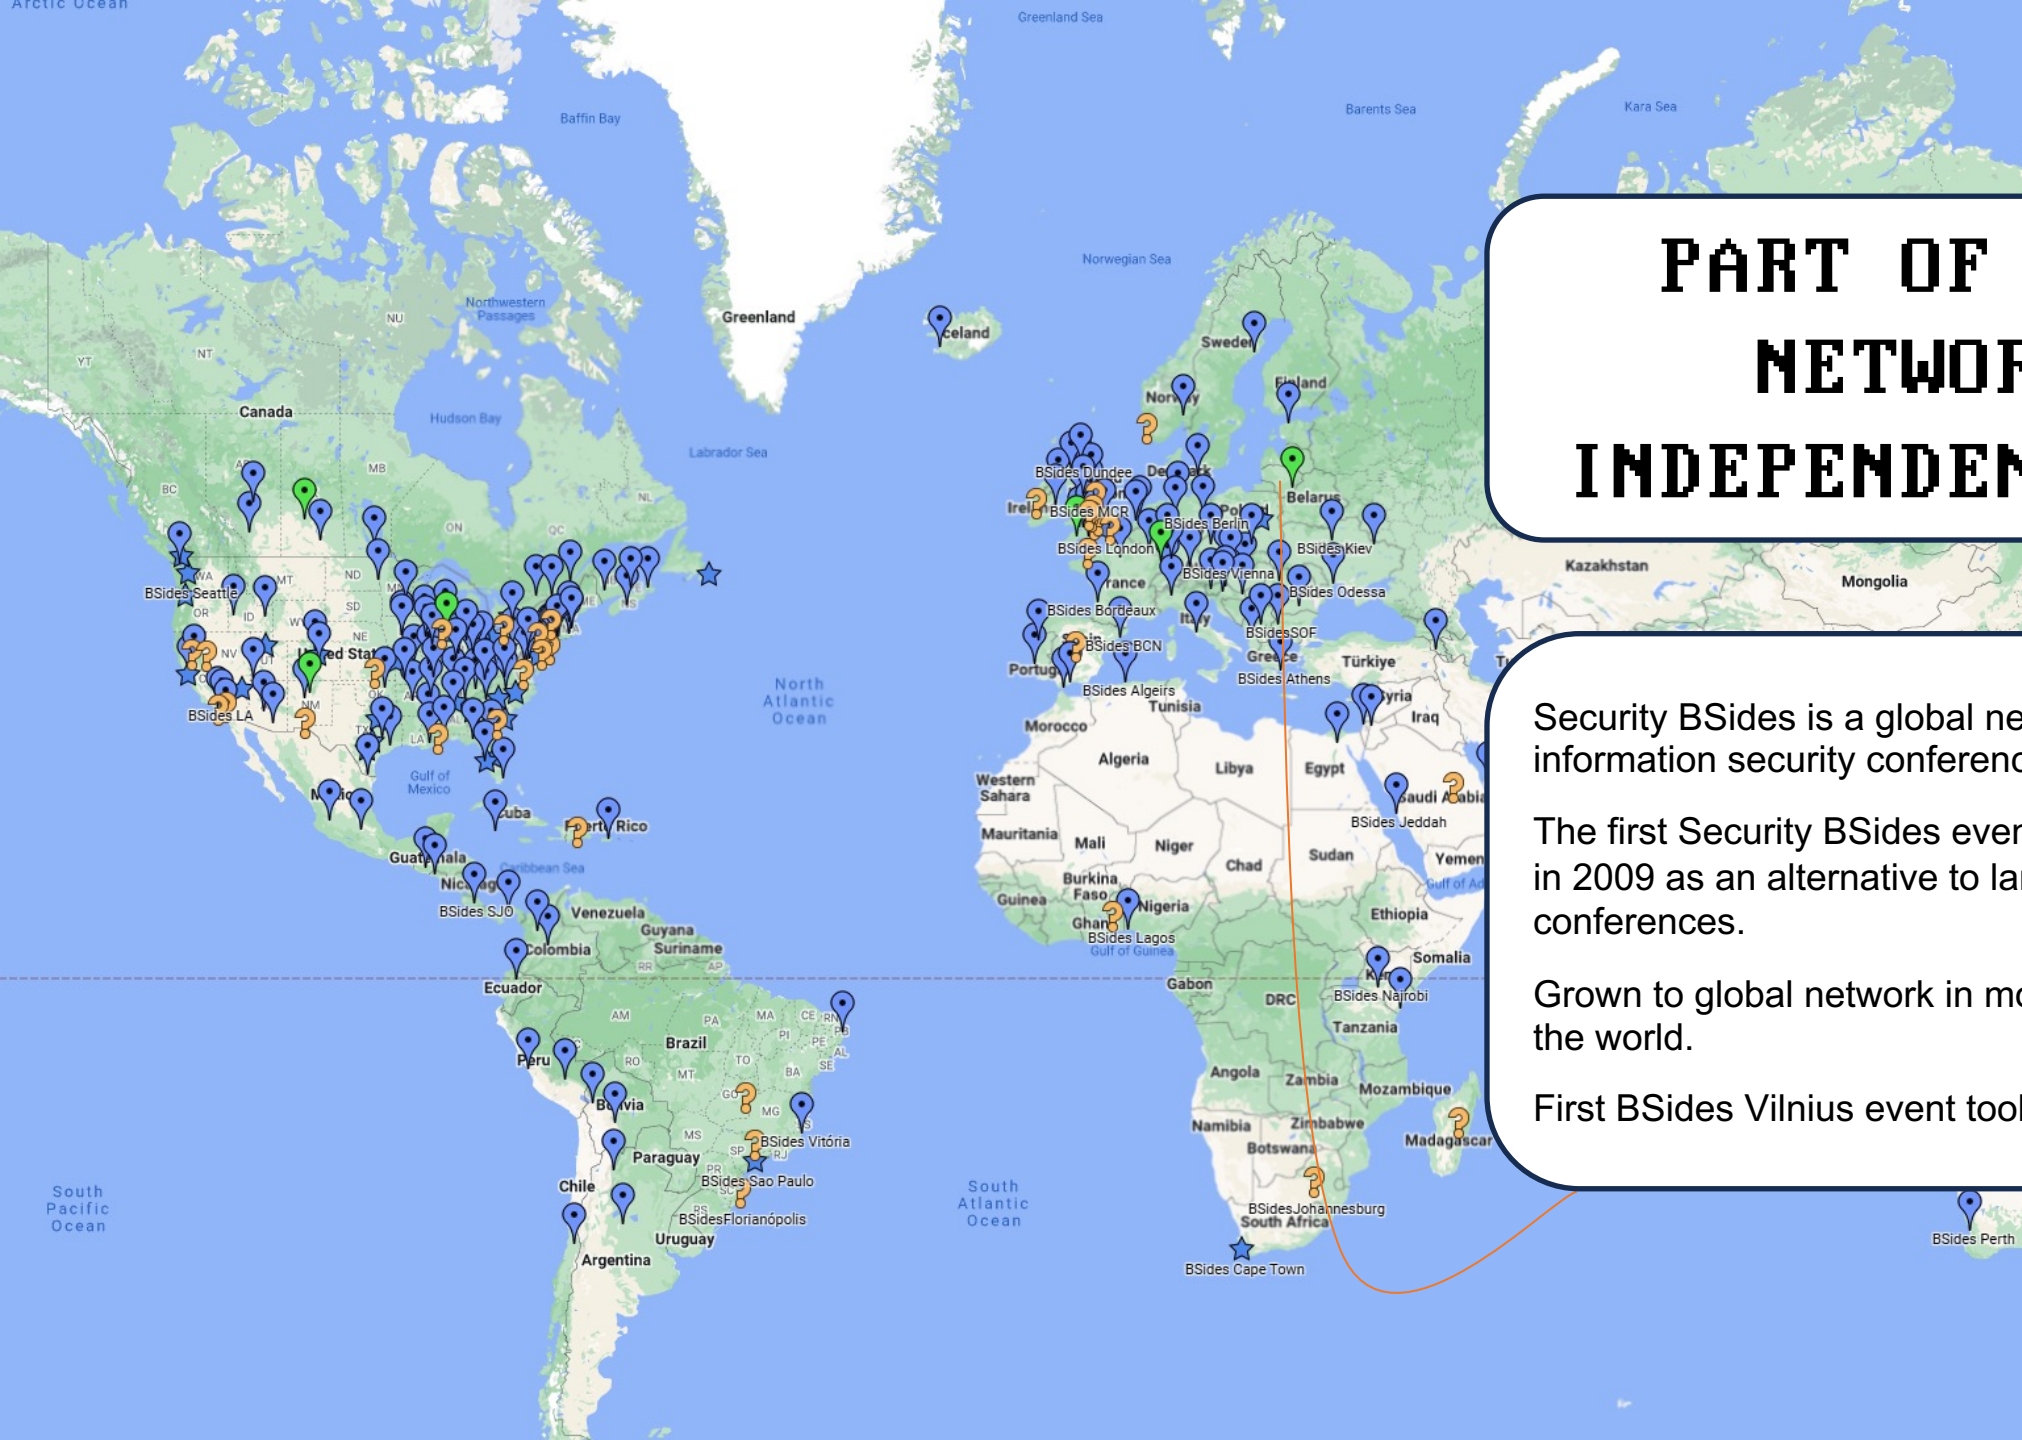

We believe that a strong cybersecurity community is essential for the resilience of our country and individual companies. We aim to make the event accessible to every member of the community.

Independent and Supported by Those Who Care

The presenters are reviewed by the independent review board to ensure quality and independence.

9 sponsors supported the event in 2024.

PART OF GLOBAL NETWORK OF INDEPENDENT EVENTS

Security BSides is a global network of independent information security conferences and events.

The first Security BSides event was held in Las Vegas in 2009 as an alternative to larger and more commercial conferences.

Grown to global network in more than 100 cities around the world.

First BSides Vilnius event took place on May 16, 2024.
